

BY-LAW NO RCM-44-2012

BY-LAW CONCERNING TRUCK AND TOOL-VEHICLE TRAFFIC

Meeting of the Council held in the Council Chamber, 60 Martin Avenue, Dorval, Québec, on January 21, 2013;

---oOo---

The municipal Council decrees and ordains the following:

SECTION 1. In the present by-law, the following words mean:

Truck: a vehicle other than an emergency vehicle with a gross vehicle weight of 4500 kg or more designed and equipped mainly for the transportation of goods or of the machinery with which it is permanently equipped and its accessories. Are also trucks, combination of street vehicles in which at least one vehicle has a gross weight of 4500 kg or more.

Local delivery: a delivery carried out in a zone where such traffic is prohibited and marked by a sign authorizing truck and tool-vehicle drivers to travel in this prohibited traffic in order to:

- Make a pick-up or delivery;
- Provide a service;
- Perform a job;
- Have the vehicle repair;
- Return a vehicle to its home base.

Home base: the company's place of business, that is the vehicle's storage site, office, warehouse, garage of the company's parking lot.

Emergency vehicle: a road vehicle used as a police car in accordance with the Police Act (Chapter P-13.1), a road vehicle used as an ambulance in accordance with the Act respecting pre-hospital emergency services (R.Q.S, c. S-6.2), a fire department road vehicle, or any other road vehicle which meets the criteria established by regulation for recognition as an emergency vehicle by the Société de l'assurance automobile du Québec (SAAQ).

Road vehicle: a motorized vehicle that can be driven on roads, other than a vehicle that runs only on rails, a power-assisted bicycle or an electric wheelchair. A trailer, a semi-trailer and detachable axles are equated with road vehicles.

Tool-vehicle: a street or road vehicle, other than a vehicle mounted on a truck chassis, manufactured to perform work and the work station of which is an integral part of the driver's compartment. For the purposes of this definition, a truck chassis is a frame equipped with all the mechanical components required on a road vehicle designed for the transportation of persons, goods and equipment.

SECTION 2. Truck and tool-vehide traffic is prohibited on the streets listed in annexed Schedules « A » and illustrated on the plan annexed as Schedule « B ».

SECTION 3. Section 2 does not apply to trucks and tool-vehides having to carry out local delivery.

Furthermore, it does not apply to :

- a. Oversized vehicles circulating by virtue of a special operating permit expressly authorizing access to streets to which access is normally prohibited;
- b. Agricultural machinery, farm equipment and farm tractors;
- c. Tow trucks;
- d. Emergency vehicles.

SECTION 4. Anyone who contravenes with section 2 is guilty on an offence and is liable to a fine identical to that provided in the Highway Safety Code.

SECTION 5. The present by-law shall come into force on the date of its publication after it has been approved by the Minister of transports.
