

Request to Obtain Financial Assistance Treatment and Cutting Down of Ash Trees

To obtain financial assistance to assist in the costs incurred for the treatment and cutting down of ash trees located on your property, please fill out this form and return it to greenline@ville.dorval.qc.ca.

Name of applicant	
Address	
Phone number	
Confirmation	<p>I have attached the invoice given by the contractor who did the work</p> <p>I have attached the receipt(s) supporting the purchase of the replacement tree(s)</p> <p>I have included a picture of the tree(s) that has/have been planted</p>

Note that fees for stump removal are not covered.

Your reimbursement request may be rejected if the replacement tree does not meet the criteria stated in the permit.

Once approved by the inspector, your request will be submitted to the finance department in order for a cheque to be issued and mailed to you in the following 4 to 6 weeks.
